

Table Talk for MN Breastfeeding Coalition Annual Meeting

October 29, 2012

Sheila Humphrey, RN, IBCLC

Fairview Lakes Medical Center

Maggie Domski, RD, LD, CLS

Washington County WIC Program

“Prenatal Patient Education Materials” Table Topic

This session will highlight materials from the “Breastfeeding Toolkit for the Perinatal Clinic Setting” currently being developed by the Washington County Breastfeeding Coalition. Learn the rationale behind the Toolkit, view clinic materials and patient handouts developed by our coalition, and hear our plans for using the toolkit within our county. Attendees are encouraged to bring their own patient education materials to share.
