2ND PERINATAL HOSPITAL LEADERSHIP SUMMIT:

Implementing Best Practice Mother-Baby Care

Tuesday, May 6, 2014, 8:30 a.m. – 4:00 p.m.

Twin Cities Metro Area

This statewide leadership Summit focuses on best practice mother-baby health care and is an opportunity to network with other maternity center leaders in Minnesota.

Maternity care team leaders are invited to attend the Summit

Each rural or urban maternity center serving Minnesotans may send 2-3 members of their leadership team to participate in this important event, including Medical Directors in Pediatrics, Obstetrics and Family Practice, CEOs, Chief Nursing Officers, OB and Labor & Delivery Nurse Managers, Quality Improvement and Administrative leaders.

TOPICS INCLUDE:

- Message from Minnesota Department of Health Commissioner, Dr. Edward Ehlinger
- Joint Commission Perinatal Core Measure Set: Updates
- Reducing early (< 39 weeks) elective inductions
- Skin-to-skin in the first hour after C-section and vaginal deliveries
- Supporting exclusive breastfeeding during hypoglycemia, jaundice, early weight loss
- Donor breast milk beyond the NICU
- New ACOG “full-term” definitions for infants
- Baby-Friendly Hospital Initiative: Strategies for success
- Reimbursement for hospital lactation services

CEUs available; application for CME credits is being submitted.

Event to be held in Twin Cities Metro Area.
