Minnesota Breastfeeding Coalition Workshop

**Connect, Build, Share**

Thursday, November 2, 2017

Madden’s on Gull Lake, Brainerd, MN

**Integrating community health and primary care to support breastfeeding**

**Connect, build partnerships, and create common goals in your region**

Staff from maternity centers, clinics, public health, and community organizations will have the opportunity to work in groups by local breastfeeding coalition and/or geographic region to meet the following objectives:

1. Share how breastfeeding is supported in your setting/region for the client/patient and for the employee through collaborative efforts
2. Learn about tools and resources currently being used that work well and discuss resource needs
3. Connect with others to learn about successes and address gaps in breastfeeding support
4. Determine action steps for improving continuity of care and breastfeeding outcomes in your region
